DEVELOPMENT PLANS

Living in the Park

October 21, 2011

Dear Residents,

With the recent closure of the Shaw-Neer Slopes Golf Course, and in preparation for the winter season and beyond, you will notice maintenance occurring on the golf course lands over the next few weeks. Most recently and most noticeably, we have begun to remove the high fencing and screens, as well as attending to the installation of additional fencing to secure the grounds, throughout the perimeter of the property. This removal is for both safety to the public as well as for insurance liability purposes.

With all due respect we remind you that a "No Trespassing" notice is also enforced to ensure everyone's safety.

Please feel free to contact us at anytime with any questions you may have at info@shawneepark.ca.

Sincerely,

Will Hoes
